Use of cookies by TRCS on trcontrolsolutions.co.uk

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. The table below explains the cookies we use and why.

Name	Purpose
ci_session	This technical cookie is a session identifier provided by the server. It is used to identify a user who has logged on to our Website and to offer the content he/she requires.
__utma __utmb, __utmc __utmt_b __utmv __utmz	These cookies are used by Google Analytics to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in an anonymous form, including the number of visitors to the website, where visitors have come to the website from and the pages they visited. Read Google's overview of privacy and safeguarding data

How do I change my cookie settings?

Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.aboutcookies.org or www.allaboutcookies.org.

To opt out of being tracked by Google Analytics across all websites visit <http://tools.google.com/dlpage/gaoptout>.
